

## MIDWEEK MISSIVE 01/11/19

Happy New Year!

After a holiday hiatus, the Midweek Missive is back! Lots of things happened over the holidays, and now it's time to dive into a new year! The Lay Preachers are working on messages to inspire and comfort; the Deacons are working hard at finishing up their review of the year end Visioning event and preparing to take the next step in instituting ideas and events. And your Board of Directors has been hard at work to assure that the ministries of the Candleberry Chapel thrive in 2019.

At this past Tuesday's board meeting it was announced that the Chapel finished in the black for 2019 and that \$10,850 has been raised so far in our campaign to pay off our mortgage! Both of these pieces of information are good news...many thanks to all who contribute to the mission and operation of the Chapel, and please keep it up!

Apart from our normal weekly giving, our campaign to pay off our mortgage continues. Because it was a 10 year note, the monthly payments are high...approximately \$2500 per month. Our current balance stands at right around \$52,000 and paying it off would allow our ministries to continue, and grow in 2019.

If you can make a one time gift, or can make a pledge to make a donation (or donations) toward the fund in 2019, please prayerfully consider doing so. With the participation of the friends and family of the Candleberry Chapel, we can keep our ministries on solid ground for years to come.

Also, I'm looking forward to welcoming Scott Pires back this weekend! Come and let him know how much we missed him!

Be peaceful,  
Rev. Brad
